

Midwestern Unconventional Sports Association

Rules, Regulations & League Details

1. Teams will consist of 2 people and teams can only use the bowler registered under their substitute if a player is unable to bowl. The league will take the missing player's average (minus 10 pins) for that week if no sub is used.
2. Bowlers must always use their Mii during play.
3. Depending on number of teams every team will bowl at least two games every week and the season will be at least 8 weeks long. There will also be a league banquet at the end of each season.
4. The "drop shot" is not allowed
5. Teams will always alternate turns during the course of play.
6. Beer Frame - during the game the 5th frame will be considered "Beer Frame". The winner of beer frame will be determined by the team with the greater number of pins knocked down in the frame. (Strikes count as 15, spares count as 10) Loser buys winning team 2 drink tickets (\$4/ticket). In case of a tie winner will be higher first ball totals. If still tied, beer frame will be carried into 6th frame.
7. Hanger - Hangers are when any one bowler does not get a strike in a frame when all the other bowlers do. All three bowlers must get a strike in order for someone to get "hung" and when this happens, bowler must throw \$1 in the kitty. Kitty money will be used to help pay for prizes and the bowling banquet at the end of the season.
8. Scores, averages, records, etc will all be kept and updated on the website.
9. Prizes will be awarded for league champs, runner-ups, high game, high series, high average, etc...
10. Have Fun!!
